LIFE, HEALTH, HAPPINESS

If we do not have hope we can not get well and we will stop dreaming. If we stop dreaming we will give up hope.

Our brothers and sisters in the medical profession are blessed with providing us with their professional knowledge allowing us to have hope and keep dreaming with our improved health they have given us.

All of humanity are in the debt to the men and women of the medical profession for their kindness, understanding and knowledge that they have given to their fellow man from their heart.

Precision®

Introduction:

We are the manufacturers of complete lines of the finest quality Surgical, Dental & Veterinary Instruments. Our corporate office is located in Anaheim CA, minutes from Disneyland.

Manufacturing:

All our instruments are manufactured from Surgical Grade German Stainless Steel. Our skilled craftsmen, with great precision, hand craft all our instruments in our ISO 9001-2008 approved facilities.

Catering The Market Needs:

We have developed two lines to meet the requirements of our customers.

- (1) **PREMIUM LINE**, O.R grade instruments in Satin Finish for surgical needs to use.
- (2) **VALUE-LINE**, For Nurses, Physician's Assistants and Hospitals, the same product line in Mirror Finish.

Product Range

We have carefully selected about 1,100 commonly used instruments to present to you. However, we have molds for over 10,000 items. If you don't find what you need in this catalog, please provide us with a sample, sketch or even a competitor reference number, we will produce a counter sample for your review.

Speciality:

Our focus and strength is to serve our customers with the highest quality instruments at FACTORY DIRECT PRICES, Our customers achieve very attractive profit margins while reducing their inventory cost. A considerable segment of our business is O.E.M / Private label. We assist our customers in promoting their brand through total support and great enthusiasm.

Precision Warranty Program:

Due to strict adherence to our Quality Control standards during the manufacturing process, we feel confident offering our customers LIFE-TIME WARRANTY on **PREMIUM** line and One Year Warranty on **VALUE-LINE** instruments.

Customer Satisfaction is Our Obsession:

We continuously strive to make our Distributors/Customers successful. We entertain and appreciate any and all suggestions and recommendations.

Autogenous Bone Grafts
Bone Morselizer Bone Morselizer
786-1519 Bone morselizer

1. Adjust the spacing screw (located at the hinge of the handles) to the desired spacing requirements between knurled surfaces.

BONE MORSELIZER
The Bone Morselizer is a hand instrument which helps in the crushing of bone material. Follow these steps to prepare properly crushed bone:

2. Place the bone material into the bone well.

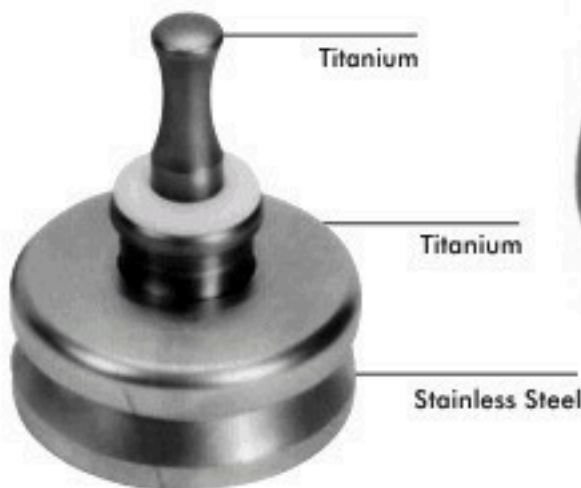

3. Compress handles together in order to create pressure on the bone material.

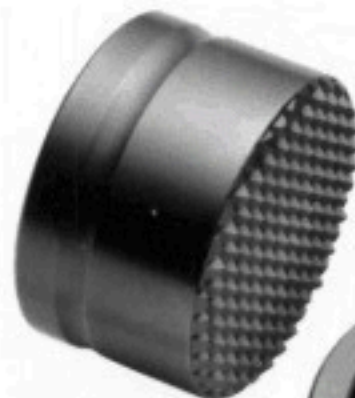

4. Turn the bone morselizer clockwise as the handles are squeezed. Always maintain a slight space between the two knurled surfaces, by using the spacing screw.

5. To remove bone, press the T-handle and bone will express from the bone well.

Precision®

Precision Instruments Care & Handling Specifications

- Brand new instruments should be cleaned prior to first sterilization.
- Contaminated instruments should be processed as soon as possible.
- Stubborn protein particles can be removed with a scrub brush. Do not use steel wool, abrasives or an acid rinse.
- Oil joints on instruments prior to preparation.
- Lubrication is vital to a long instrument life. Avoid silicon lubricants because they tend to build up and mix with debris to clog moving parts, which becomes almost impossible to remove. Debris buildup can have a "rust-like" appearance.
- Rinse your cleaned instruments in demineralized water. Be sure to remove all residual, cleaning compounds before sterilization, as they can cause stains.
- Dry the instruments thoroughly after rinsing.

PRECISION WARRANTY

We make every effort to enforce strict Quality Control Measures from drawing board to buying raw materials, hiring and maintaining the right work-force and to each and every step of manufacturing up to the shipping and deliveries of the finished goods.

These tight measures give us ultimate confidence to Offer all our customers LIFE-TIME Warranty on PREMIUM line and ONE YEAR Warranty on VALUE-LINE Instruments. If the instrument does not meet the requirements when used for its intended purpose, we will replace it.
